**Five days a week.  
All year long.**

We are a world-class education system where employees are highly valued and recognized as the driving force behind student success.

Dressing for comfort is important, but we also need to project a professional image for our students, fellow employees, parents and members of the community.

Business casual dress is our standard. Not all casual clothing is suitable and no dress code can cover all possibilities so employees should use their judgment in their choice of clothing to wear to work.

If you have any questions about professional business casual attire for work, please ask your supervisor.
