

CALGARY BOARD OF EDUCATION

Advanced Placement (AP)

Advanced Placement is a program of academic excellence offered by the Calgary Board of Education. Advanced Placement courses provide the opportunity to study subjects in greater depth and detail and explore the world through a variety of perspectives. Advanced Placement exams offer the opportunity to earn advanced credit at many colleges and universities.

Interested Grade 9 students and their parents can obtain more information by calling one of the nine senior high schools currently offering the AP program or by attending an open house/information evening:
