Dear Parents/Guardians and Students,

Re: Sir William Van Horne High School

On April 13, 2010 the Board of Trustees of the Calgary Board of Education approved the closure of Sir William Van Horne High School and all programs contained therein. In order to allow for a one year transition period, the operative date of the closure will be June 30, 2011.

The one year transition period will allow students at Sir William Van Horne High School to return to Sir William Van Horne High School for the 2010-2011 school year or register at another high school. The transition period will also allow for the relocation of the system special education classes for the 2011-2012 school year.

As is Calgary Board of Education practice, subsidized transportation services for high school students is provided by regular Calgary Transit routes for students who live beyond 2.4 kilometers from the school they attend. All students accessing transportation services are required to pay Board approved transportation fees.
