October 28, 2010

Dear Students and Parents/Guardians;

Re: New West High School in Area IV

The Calgary Board of Education is pleased to announce the opening of the West High School for the 2011-2012 school year. The new high school is located in the Springbank Hill community at 20 Springborough Boulevard S.W. and will serve students in grades 10-12 residing in south-west Calgary.

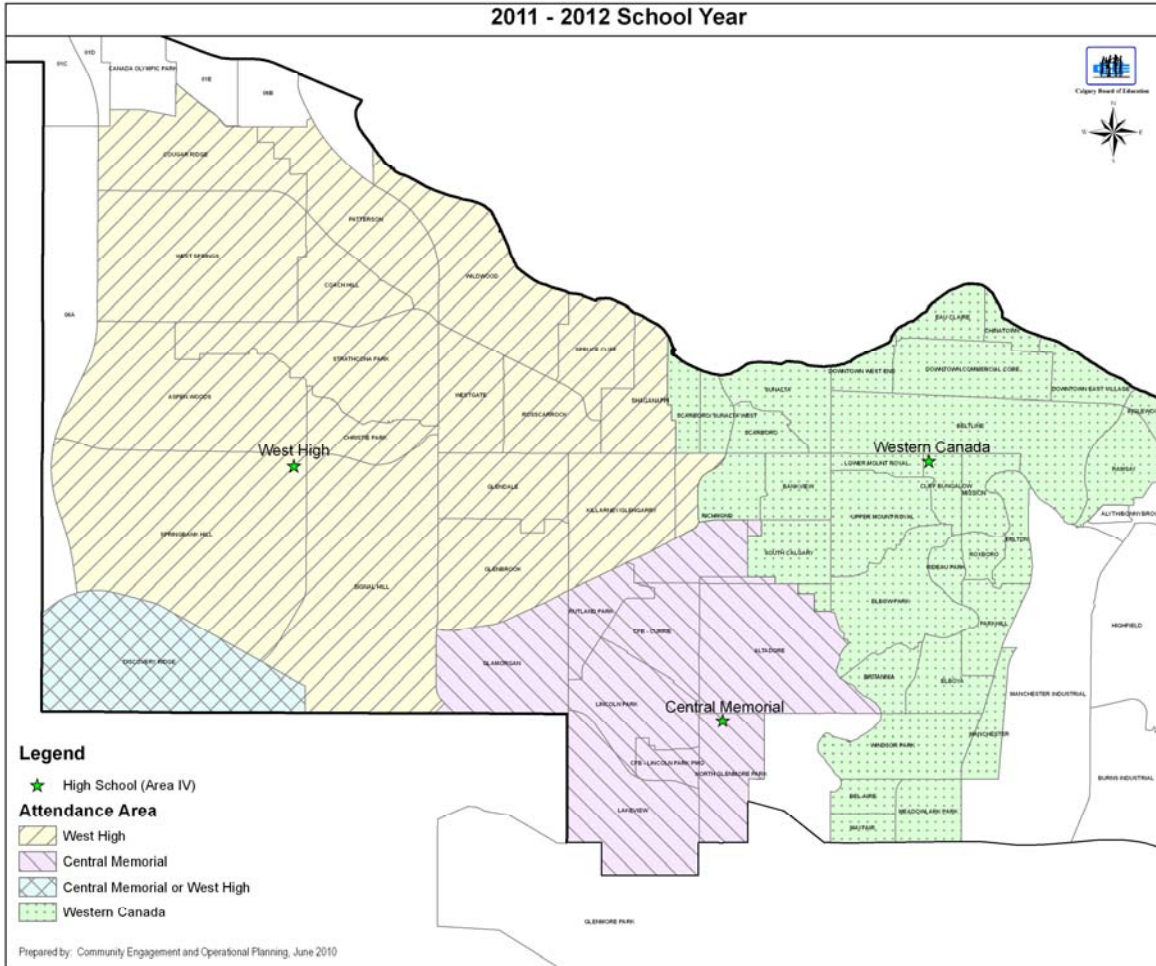

A major responsibility of the department of Community Engagement and Operational Planning is to establish attendance areas for new schools. In conjunction with the Area IV Director, the attendance area shown on the map (see page 2) has been established and will be implemented when the new school opens. High school students in the regular program residing in this attendance area are designated to the West High School for the 2011-2012 school year.

Please note that the attendance area is the same as the current Ernest Manning High School attendance area with the exception of Discovery Ridge. Students residing in the community of Discovery Ridge will have the option to attend either Central Memorial High School or the new West High School.

School boundaries are reviewed annually and if any changes to the student accommodation plan are required, students, parents and other stakeholders will be notified.

A walk zone for the new school is available on the CBE website at http://www.cbe.ab.ca/schools/underdev/WestCalgaryHS/West_High.pdf. Information regarding transportation services and fees is available on the CBE website, www.cbe.ab.ca, and at the schools.
