Values Feedback

The question that was asked of stakeholders was *“When it comes to your children and their school, what matters most?”*

The following values were identified: Students come first, Learning is our central purpose, and Public education serves the common good.

Students come first

- Accessibility
- Teachers – good relationships
- Build confidence
- Safety & security
- Caring environment
- Pride
- Sense of belonging

Learning is our central purpose

- Culture of learning
- Everyone can learn
- Quality of learning
- Love of learning

Public Education serves the common good

- Part of a bigger picture
- Engaged parents
- Part of a community
- Open communication
