

## **Huntington Hills / Area II Traditional Learning Centre**

### **Focus Group 2 – Feedback**

*Working Group – Catherine Nichols Gunn, Dr. J.K. Mulloy, Huntington Hills, Panorama Hills, Traditional Learning Centre (Highwood)*

What have you heard?

- 350 capacity of the building seems like more than possible
- Concerns about losing music room/computer lab
- Traditional Learning Centre concerns about open area school
- Not knowing the layout of the school has caused some concern
- Want a single track Traditional Learning Centre school
- Glad to finally have a home
- Panorama students happy to not have to move for one or two years (Scenario A)
- Catherine Nichols Gunn School concerns about losing students to the Traditional Learning Centre program when the program moves into the community

What would you like to see at the Open House?

- Answers to the questions so far
- More information about Dr. J.K. Mulloy's layout, a floor plan
- Information about the Traditional Learning Centre program
