

Get informed and get involved!

The changing face of public education is on everyone's mind these days. People are asking themselves how we can build on our strong track record to ensure students continue to thrive.

The best way to answer these questions and to have a voice in the decisions that are made is to get informed and get involved.

Website: www.cbe.ab.ca

The site is continually updated with information about the many exciting things happening at the CBE. You can find out about the programs we offer, schools in your area, breaking news and much more.

TrusteeZine

The TrusteeZine is an online newsletter published quarterly by the Board of Trustees. It is intended to engage you in an ongoing dialogue on issues relevant to student success. E-mail us to subscribe today.

Board Meetings

The day before a public board meeting, you can review the agenda online. The public is welcome to attend these meetings and learn more about public education in Calgary.

Report to the Community

This publication gives you a glimpse into a year-in-the-life of the CBE and the wide range of programs and activities that take place. It can be viewed on our website.

Community Engagement Meetings

The Community Engagement and Operational Planning department manages the long range student accommodation process (including school closures). It does so, in part, through community consultation and public meetings.

School Councils and Key Communicators

School councils serve as strong supporters of a good public education system for students. Key Communicators play an important role in maintaining a vital connection between parents, the school and the CBE system. For more information, visit the Parents section on our website.

Contact Your Trustee

The Board of Trustees is committed to working with parents and communities to continuously improve the quality of public education.
