

We encourage you to join us! The more members we have, the stronger our voice will be with the CBE and Alberta Education. Further, we will be able to better assist you with the challenges, concerns, and questions your school council faces. A member of our Executive would be happy to come speak to your school council about the work we do and benefits we can provide. Contact us today!

Membership is \$50 / year / school council, or \$80 for a two year membership / school.

The Calgary Association of Parents & School Councils

The Calgary Association of Parents and School Councils is Calgary's city wide, CBE school council association. Our goal is to keep parents up to date and involved in their children's education, and to help make individual school councils as effective as possible.

WE OFFER YOUR COUNCIL:

- Easy, online access to information and resources on current educational issues, including a monthly e-newsletter.
- Monthly meetings on relevant and timely educational topics.
- Opportunities to share information with other CBE School Councils and parents.
- Opportunities to meet with educational policy makers from all levels, including the CBE and Alberta Education.
- Representation of you and your concerns from our permanent seat at CBE Board meetings

VISIT OUR
WEBSITE at
WWW.CAPSC.CA!

YOU'RE INVITED TO OUR FREE MONTHLY MEETINGS:

We strive to provide meaningful learning, sharing and discussion opportunities. Everyone is welcome to attend our meetings. Last year, some of our meetings included:

- A presentation from Bill Belsey founder of bullying.org
- A discussion by Dr. Sharon Friesen on reconceptualising class size
- Alberta Education describing curriculum redesign
- A candid discussion with CBE's Chief Superintendent, Naomi Johnson
- Several facilitated member discussion

WE WANT TO INFORM AND SUPPORT YOU AND YOUR COUNCIL!

One of our primary roles is to keep you informed about important educational issues. We offer a **free**, monthly e-newsletter, a regularly updated blog, and a pile of online resources on a wide variety of subjects. Check us out at www.capscc.ca.

If your school council requires individual support or resources, contact us directly with your questions or concerns and we will do what we can to get you the information or contacts you require.
