

Parent Question:

**What was the success rate of the approximately 200 students that went to Central Memorial High School from Lord Shaughnessy High School as far as their completion certificate and high school diploma achievement?**

**\*The response below provides data related to Lord Shaughnessy students after the closure of Lord Shaughnessy High School at the end of 2006-2007 school year.**

As of September 20, 2006, 69 students were registered in grade eleven at Lord Shaughnessy High School. No grade ten students were registered in 2006. Records indicate that 34 students who transferred from Lord Shaughnessy High School to Central Memorial High School graduated with a High School Diploma or a Certificate.

**How many teachers from Lord Shaughnessy High School were transferred to Central Memorial High School, if any, were working with these students three years later?**

Seven teachers from Lord Shaughnessy High School became a part of the Central Memorial staff. It was determined by the Principal in consultation with his staff, that the teachers both at Central Memorial High School and from the former Lord Shaughnessy High School could meet the needs of all the students that attend the school, including the students that transferred from Lord Shaughnessy High School to Central Memorial High School.
