### Name selected for new elementary school in New Brighton

New Brighton School is the name of the new elementary school that will serve the community of New Brighton.

It is common for the first elementary school in a community to be named for the community that it serves.

After gathering and evaluating stakeholder input, the school naming committee recommended this name to the Board of Trustees for its approval. The committee was comprised of CBE Trustees, parent and/or community representatives and members of CBE administration.

New Brighton School has a planned opening date of September 2016. It is expected to accommodate students in kindergarten to Grade 3 when it opens.
