TUSCANY MIDDLE SCHOOL

Late French Immersion Open House & Expression of Interest

Thursday, January 27, 2011
5:30—7:30 p.m.
Tuscany School
990 Tuscany Drive NW

The Calgary Board of Education is considering offering Middle French Immersion at the new Tuscany Middle School beginning in September 2012, if there is sufficient interest. This new entry point in French Immersion for the Calgary Board of Education would be the first in Alberta. This entry point provides students with the option to transition to a French Immersion program in Grade 5, at the same time they start middle school.

CBE administration will have information about what the Middle French Immersion program would look like and gather input from the community about their interest in the program.
