Dear Students and Parents/Guardians,

## Notice: Sundance Regular Kindergarten and Grade 1 Program

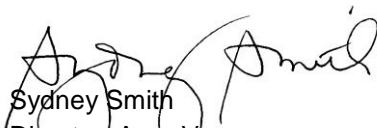

The Calgary Board of Education (CBE) would like to inform parents and students that due to low registration in the regular program at Sundance School, we are unable to offer a regular kindergarten or Grade 1 class for September 2016. Families in the boundary for Sundance School who would like their child(ren) to attend a regular program kindergarten next year will be designated to Fish Creek School. Fish Creek School is located in the community of Sundance at 1039 Suncastle Dr S.E., phone 403-777-6400.

This decision has no impact on currently registered Sundance students in the regular program, and future decisions will be based on community interest and trends. The Calgary Board of Education will continue to monitor enrolment in the regular program annually to determine whether a regular program kindergarten class can be offered again in the future.

## Transportation Services

Students are eligible for transportation to their designated school if they live beyond the walk zone. Information regarding transportation services and fees is available on the CBE website [www.cbe.ab.ca](http://www.cbe.ab.ca) and at the schools. Applicable transportation fees will apply for all students taking transportation.

If you have questions that are not addressed or require additional information, please contact the Area V office at 403-777-8780 (extension 0).
