January 5, 2010

Dear West Springs Families:

Kindergarten registration begins for all Calgary Board of Education schools on Monday, January 11, 2010. At Wildwood School, 120 45 St. S.W., registrations will be taken for West Springs students. We anticipate that West Springs School will be able to accommodate all of the kindergarten children residing in the West Springs community. Unfortunately, we will not be able to accept registrations for kindergarten from any students living outside of the West Springs community.

There is no reason to line up on the first day of registrations. Registration is not based on a first come, first serve basis. We will not be numbering the registration forms.

It is important that on January 11, the students that are at Wildwood School feel their school is an effective learning space. Unnecessary long line-ups can interrupt the learning for all of our students. January 11 is only the first day of a continuous registration process. Please feel free to come and register your child between 8:00 and 4:00 on Mondays to Fridays.

We will notify families when registration begins for the other grades at West Springs School. Please check the website for updates.
