Early Childhood Services

Children may be enrolled in any Early Development Centre (EDC) preschool or Kindergarten program in CBE. Schools follow the priorities listed in <u>Administrative Regulation 6090 | Child and Student Registration and Admission</u>, section 6(9), to determine who may be enrolled. However, enrolment in an early childhood services program **does not** guarantee enrolment for grade one in the school or CBE. Priority will be given to CBE resident students living in the designated attendance area for the school.

Proof of Age, Legal Name and Citizenship

The original document must be provided to the school. The school will make the copy.

The legal guardian / parent must produce the student's Canadian birth certificate at the time of registration. If a Canadian birth certificate is not available, the school may accept a:

- Canadian passport;
- Canadian Citizenship Certificate or Card;
- Canadian Certificate of Indian Status Card; or
- Canadian court order that states the legal name and age or date of birth of the child (e.g. Alberta adoption order). However, this
 document will not be accepted as proof of citizenship and further documentation will be needed.

The school can not accept a:

- document from another country;
- Canadian federal government Record of Landing; or
- Canadian federal government Permanent Resident Card, Permanent Resident Record or Confirmation of Permanent Residence.

A legal guardian / parent who cannot show proof of the student's Canadian citizenship must register the student through CBE Welcome Centre. For more information visit www.cbe.ab.ca/welcome or call 403-817-7789.

Exception - Students in Shelters

If the legal guardian / parent does not have one of the documents listed above, they will provide a written summary of current family status until documentation can be provided. The legal guardian / parent is to apply to the government to acquire the required document. Shelter staff can help with this. If applicable, the legal guardian / parent will provide the Restraining Order (RO) or Emergency Protection Order (EPO).

Anything outside of the approved listed documents would need to be discussed with the principal at the school where you are registering.

Release of Information Form

Releasing educational information to people outside of the education system such as doctors, lawyers, nurses, private psychologists, hospitals or other individuals as identified by the parent / legal guardian, **is not a requirement of registration or enrollment**. It is only done when this information is needed to provide an effective educational program for the child and/or to assist parents / legal guardians. Student personal information can only be released with the parent's / legal guardian's informed consent (agreement). If a parent / legal guardian has a need to release their child's educational information (e.g., student record, assessments, programs), certificated school personnel must explain the form and what giving consent entails *before* the legal guardian / parent can be given the form to complete.

Please contact the school if you wish to complete the form to give permission to The Calgary Board of Education to release your child's educational information to people outside of the education system. A time will be arranged for you to meet virtually with a certificated school staff member.
