

## Provincial funding announcement

May 28, 2015

The Board of Trustees has released a statement regarding today's [education funding announcement](#):

"This funding announcement, including the dollars for new students, will support stability to our system, and allows us to continue to provide the best quality education for our growing population," said Board of Trustees chair Joy Bowen-Eyre on behalf of the Board. "Albertans value public education, and we're pleased to hear that the government does, too."

"We are eager to learn more details about how this funding will specifically benefit our students and we look forward to working with Minister Eggen and the provincial government in the coming months."

The Province also announced today that the [decision to close the Calgary Young Offender Centre has been reversed](#).
