Improving emotional health and wellbeing

Cyber Safety

Adriana Dewar, B.A., M.A., Community Outreach Coordinator
YouthLink Calgary Police Interpretive Centre

Are you and your family cyber-safe?

In today's interconnected world, the internet and social media have revolutionized the way we connect and learn. However, with limited oversight, these digital realms also pose potential risks such as privacy breaches, cyberbullying, sextortion, and criminal activities.

YouthLink Calgary presents an essential program designed to empower parents and guardians with the tools needed to ensure your family's online safety.
