

Help Prevent The Spread of Germs

Wash your hands often using soap and water for at least 20 seconds. Sing the "Happy Birthday" song twice while you wash!

Keep objects and surfaces clean.
Don't forget to clean your phones and keyboards.

Avoid close contact such as hugs and handshakes.
Don't share water bottles or other dishes.

Cough or sneeze into a tissue or your sleeve,
then wash your hands immediately.

Stay home if you are sick, except to get
medical care. When in doubt, call 811.

Avoid touching your eyes, nose and mouth.
