3.2 **Salary Administration**

3.2.1 **General**

A teacher shall be placed in salary categories, according to the statement of qualifications issued by the Alberta Teachers' Association Teacher Qualifications Service in accordance with the policies and principles approved by the Teacher Salary Qualifications Board, established by Memorandum of Agreement among the Department of Education, the Alberta Teachers' Association and the Alberta School Trustees' Association, dated 1967-03-23 subject to Appendix "A" of the Collective Agreement.

3.2.2 **Initial Salary Placement**

3.2.2.1 A teacher upon commencement of employment must submit proof of:

- (a) Teacher qualifications in the form of a TQS evaluation or an in-service course or a music diploma.
- (b) Experience, in writing.

Such proof must be submitted within one hundred and twenty (120) days from the date of employment, in order to obtain, retroactively to the date of employment, an improvement in category placement and experience placement, respectively. Failure to do so will result in adjustments being made on the first of the month following submission of proof, unless the submission of proof is beyond the control of the teacher.

3.2.2.2 Pending receipt of a statement of qualifications from the Teacher Qualifications Service, the Board in accordance with applicable verified data in the teacher's file will establish a tentative salary. Effective September 2013, at a minimum, teachers will initially be paid the minimum salary rate applicable to four years of university education. The teacher's salary shall be adjusted to reflect actual years of university education after submitting the statement of qualification from TQS.

Teachers with fewer than four (4) years of university education shall not proceed past three (3) years of experience on the salary grid until they have attained the four (4) years of education qualification substantiated by submitting a statement of qualification from TQS.

3.2.2.3 Upon commencement of employment, a teacher shall be granted one (1) increment for each full year of teaching experience acquired prior to current engagement with the Board, where the teacher having such experience, held a valid teaching certificate.

3.2.2.4 Notwithstanding the number of years of previous experience, the teacher will be paid at no more than three (3) years of experience until the teacher submits a statement of qualifications from TQS verifying they have at least four (4) years of university education. Subject to 3.2.2.1, salary shall be adjusted retroactively. A teacher who attains additional qualifications subsequent to the date of hire will be subject to 3.2.4.

3.2.2.5 Where the new appointee's teaching experience includes partial years of service or periods of part-time service, full years of service shall be calculated as the number of full days of teaching experience in those years divided by 200. Any remainder of 150 or more days shall be counted as a full year.

3.2.2.6 Any residual number of days of teaching experience beyond the full years of teaching experience recognized under clause 3.2.2.5 shall be credited to a teacher for accumulation towards the earning of any future increment.

3.2.3 **Experience Increments**

3.2.3.1 Each teacher who is eligible for an increment shall, on the opening of school or on the first day of September or February immediately following the establishment of such eligibility, be placed on the next higher step on the grid for the appropriate category of teacher education.

- 3.2.3.2 For the purpose of clauses in this Article, teaching experience shall mean:
- (a) Days under contract (continuing, probationary, part-time, interim and temporary) to a Board in a position which requires a teaching certificate as a condition of employment, excluding leaves of absence without salary and vacation periods;
 - (b) Days employed as a substitute teacher;
 - (c) Days taught for the Alberta Distance Learning Centre.
- 3.2.3.3 A teacher who has a minimum of 150 full days teaching experience which have not previously been counted for increment purposes, shall be granted one (1) experience increment in accordance with clause 3.2.3.1, and subject to the limitation of clause 3.2.3.4. Until the teacher reaches the maximum salary of the appropriate category of education, further increments shall be granted for each 150 full days of teaching experience acquired after that date. These increments will be effective on the opening day of school or the first day of September or February immediately following the attainment of the necessary accumulation of days.
- 3.2.3.4 A teacher shall be granted only one (1) experience increment during any one school year.
- 3.2.3.5 The maximum number of days of teaching experience which may be counted for increment purposes during any school year shall be 150 days.
- 3.2.3.6 Subject to clause 3.2.3.5, any residual number of days of teaching experience which the teacher has accumulated at the time an increment is granted under clause 3.2.3.3 shall be credited to the employee for accumulation toward the earning of any future increment.
- 3.2.3.7 A teacher commencing duties who requires a Letter of Authority, shall be allowed one (1) increment only. Any teacher for whom an increment is cancelled shall remain on the same salary step until the deficiency causing the cancellation is removed. When the deficiency is removed, the teacher shall be placed on the step to which the teacher would have been entitled had the increments not been withheld. This placement shall be made on the opening day of school or February 1, immediately following the submission of evidence of a valid teaching certificate, provided that the submission is made on, or prior to, October 31 or March 31, whichever is applicable, unless the submission of proof is beyond the control of the teacher.
- 3.2.3.8 Any supporting data submitted for the purposes of a salary reclassification shall be accompanied by a written request for reclassification and directed to Human Resources.
- 3.2.4 **Salary Adjustments for Increased Years of Training**
- 3.2.4.1 The adjustment dates for reclassification due to increased post-secondary education, shall be the opening day of the school year or February 1. Upon obtaining the required education, the teacher must submit proof of qualifications in the form of a TQS evaluation. The teacher must submit proof prior to November 30 to receive a retroactive adjustment effective the opening day of the school year or prior to April 30 to receive a retroactive adjustment effective February 1. Failure to do so will result in adjustments being made on

the first of the month next following the month of submission, unless the submission of proof is beyond the control of the teacher.

3.2.4.2 In moving from one category of teacher education to a higher one, the teacher shall be placed on the same numbered step in the higher category.

3.2.5 **Career and Technology Studies**

3.2.5.1 The Chief Superintendent of Schools or delegated authority shall have discretionary power to place, on any step of the basic salary schedule in the category determined by the Teacher Salary Qualifications Board, any teacher who is recruited from industry to teach programs in Career and Technology Studies, providing the teacher has successfully completed the teacher training courses provided by the universities of Alberta or their equivalents, in the opinion of the Chief Superintendent or delegated authority.

3.2.5.2 The Board reserves the right to adjust the grid placement of a teacher who holds a valid journeyman's certificate or its equivalent, and who teaches any Career and Technology Studies courses at the senior high school level for which the possession of such journeyman's qualifications is a requirement.

3.2.5.3 Any teacher holding grid placement which includes a category or step adjustment for technical proficiency or experience, who requests and receives approval for a transfer to a teaching assignment which no longer includes any Career and Technology Studies courses, shall be placed on the appropriate step and the appropriate category of the basic salary schedule in accordance with the number of years of teaching experience and the applicable Teacher Qualifications Service Evaluation as at the effective date of transfer.

3.2.5.4 If a teacher, transferred in accordance with clause 3.2.5.3, requests and receives approval for transfer back to a Career and Technology Studies assignment, the former placement shall apply together with earned increments and category changes, if applicable. However, the salary plus the vocational allowance shall not exceed the maximum of the applicable category.

3.2.6 **Discretionary Provisions**

3.2.6.1 The Board reserves the right to consider any application on its merits, and to fix the initial salary above the schedule should it appear in the interest of the Board to do so, provided that the President, Calgary Public Teachers Local 38 is informed as soon as possible.

3.3 **Salary Payment**

The Board shall pay each teacher one-twelfth (1/12) of each teacher's annual salary on the third last school day of each month except June, July and August. Two (2) payments will be made on the third last school day of June and one (1) payment on the third last day of July. Payment shall be by direct deposit to a bank account of each teacher's choice.

Newly hired teachers or those teachers returning from an unpaid leave shall be entitled to a “transitional payment” in July and/or August provided that there is a minimum of 6 or more scheduled work days in the month in which the teacher is hired or has returned from an unpaid leave. The total value of this transition payment(s) will be recovered from the 12 regular salary payments described in clause 3.3 above. Teachers in receipt of a transition payment(s) who do not work an entire school year shall have the value of any outstanding balance deducted from the final salary payment during that year. In subsequent years of employment, teachers will receive 12 regular salary payments starting in September and in accordance with clause 3.3.

3.4.1.1 In any article or clause where the term “summer vacation” is used, “summer vacation” shall be read as “vacation period”.

22.1 Where a difference arises between the parties to or persons bound by this collective agreement as to the interpretation, application, operation or contravention, or alleged contravention of this agreement, or as to whether such difference can be the subject of arbitration, the Association, or the Board shall have the right to present a grievance. All such grievances must be presented in writing and shall set out the nature of the difference, the article(s) of the agreement which has allegedly been violated and the remedy sought. A grievance shall not be defeated solely because it fails to cite an article, cites an incorrect article of this Agreement, or seeks an inappropriate remedy.

22.1.1 Any individual grievance filed by a teacher must be submitted to Superintendent of Human Resources or delegated authority with a copy to the President of the Local within fifty (50) working days of the date the teacher first knew of the alleged violation or misapplication. An Association or Board grievance must be submitted to the other party within fifty (50) working days of the date the Association or the Board first knew of the alleged violation or misapplication. Failure to submit a grievance within the time limits specified shall render the grievance inarbitrable. The Grievance Committee may formally consider a grievance which has been submitted beyond the fifty (50) day time limit for grievances, when the Committee decides to do so.

22.2 Upon receipt of the grievance, the recipient of the grievance will schedule a meeting within ten (10) working days or such later date as is mutually agreeable, for the parties to meet and endeavour to resolve the difference set forth in the grievance. Within five (5) working days of the meeting, the recipient of the grievance shall provide a written response to the grievance.

22.3 If the grievance is denied, the teacher or Association may, within fifteen (15) working days of receipt of the grievance response, submit the grievance in writing to the Superintendent of Human Resources or delegated authority requesting consideration of the grievance by

22.5 When the Grievance Committee receives notice of the submission of a grievance, it shall provide an opportunity for the teacher and a representative(s) of the ATA and CBE administration to be heard and shall render a decision within twenty-one (21) working days following the receipt of such notice. 22.6 The Grievance Committee shall forward the Committee's decision to the submitting party, in writing, with copies to the Chief Superintendent of Schools and the President of the Local. When a grievance is denied, the reasons for the denial shall be made known to the submitting party in writing.

Arbitration

If such notice is not served within the time limits specified in this clause, the grievance shall be deemed to be at an end. The parties may, by mutual agreement, consent to postpone the arbitration hearing. Such notice shall contain a statement of the nature of the grievance.

22.8 A single arbitrator shall be appointed. Should the parties be unable to agree to the single arbitrator, either party may request the Director of Mediation Services to select the single arbitrator.

22.9 At the request of either party, an arbitration board shall be substituted for the single arbitrator. Where an arbitration board is used, each party shall appoint one (1) member as its representative on the arbitration board within seven (7) working days of such notice as specified in clause 22.7 and the two (2) members so appointed shall endeavour to select an independent chair.

22.10 If the two (2) members fail to select a chair within seven (7) working days after the day on which the last of the two (2) members is appointed, either party may request the Director of Mediation Services to select a chair.

22.11 The single arbitrator or arbitration board shall determine their own procedure and shall give full opportunity to all parties to present evidence and to be heard.

- 22.12 The single arbitrator or arbitration board shall not change, modify nor alter any of the terms of this Agreement, nor shall the arbitrator or arbitration board make a decision which is contrary to the terms of this Agreement. All grievances or differences submitted shall present an arbitrable issue under this Agreement, and shall not depend on or involve an issue or contention by either party that is contrary to any provisions of this Agreement or that involves the determination of a subject matter not covered by, or not arising during the term of this Agreement.
- 22.13 The single arbitrator or arbitration board shall give a decision not later than fourteen (14) working days after the appointment of the single arbitrator or the arbitration board chair except that with the consent of both the Association and the Board, such limitation of time may be extended. The findings and decisions of a single arbitrator or a majority of the members of the arbitration board shall be the findings and decisions of the single arbitrator or arbitration board and shall be binding on the parties. If there is no majority, the decision of the chair shall be the decision of the arbitration board.
- 22.14 Each party to the grievance shall bear the expense of its respective nominee and the two (2) parties shall bear equally the expenses of the chair or single arbitrator.
- 22.15 Where any references in this Article are to a period of working days, such a period shall be exclusive of Saturdays, Sundays, statutory holidays and summer vacation.
- 22.16 By mutual agreement between the Board and the Association, notwithstanding clause 22.3, a grievance may be advanced to arbitration within fifteen (15) working days of receipt of the grievance response in clause 22.2.
- 22.17 By mutual agreement between the Board and the Local any of the dates contained in this Article may be extended.

- 23.2 It is understood that teachers are expected to participate in those aspects of student activities which are normal extensions of the classroom program. Also, it is understood that some parameters for extracurricular activities are necessary in order to ensure both the quality of classroom instruction and a viable workload for teachers. The terms of clause 23.3 prior to June 30, 2016, will operate on a without prejudice basis and will not be considered to be a precedent to adversely affect the rights of either the Association or the Board for any purpose.

- 23.4 In each year there shall be two (2) non-instructional organizational days and three (3) non-instructional Professional Development days, the activities of which shall be determined by the staff of each school as described in the Staff Involvement in School Decisions document (Feb 2012, as amended from time to time). A teacher who held a continuing administrative designation and who received an allowance as per Articles 4 and 5 of this Agreement shall be so designated upon return and shall receive the applicable allowance for that designation. Where that designation is not available, the teacher shall retain that designation and applicable allowance and shall be placed in the first suitable position available.

OFFER OF GENERAL LEAVE OF ABSENCE

For the purpose of avoiding termination of contract teachers, the Calgary Board of Education and the Alberta Teachers' Association agree as follows:

1. Offer of General Leave of Absence

- 1.1 Teachers identified for termination pursuant to clause 9.8 by the Board, will be placed on involuntary leave of absence without compensation under particular circumstances as outlined by this document.
- 1.2 This leave offer is open only to the teachers identified for termination including those teachers referred to in section 5.2 of this document. No substitutions will be permitted.
- 1.3 This leave offer is open for a two week period from the date of offer unless the parties to this agreement agree to extend the time lines.
- 1.4 The general leave of absence for each teacher takes effect on the day following the last day of the school year in which the teacher is being terminated.
- 1.5 Benefits under the current collective agreement continue until August 31 of the year in which the teacher is being terminated. As of September 1 of the same year, the teacher on leave may purchase regular benefits, except Extended Disability, through the Board at full cost.
- 1.6 There shall be no restrictions of any kind on the activity the teacher may undertake while on leave including full or part-time employment of any type with the Calgary Board of Education or any other Board or any other employer.
- 1.7 Teachers declining this offer of a leave of absence will be subject to termination with the opportunity to appeal any decision by the Board to the Board of Reference.

2. Recall

- 2.1 The Board undertakes that every teacher granted a leave of absence pursuant to this agreement shall be offered recall to duty for a period of two years.

3. The Recall Process and Scheduling

- 3.1 Teachers who have accepted a leave of absence under this plan shall be identified on recall lists according to their initial hiring position with the Calgary Board of Education.
- 3.2 Teachers shall be ranked on a particular list according to seniority and tie breakers as already established by the collective agreement in clauses 9.9.1 and 9.9.3.

3.3 A teacher may opt to, by submitting a request in writing to Staffing at time of acceptance of the leave, add their name to a second list. Placement on the second list will be conditional upon the Board determining the employee's proven competence (experience and/or training within the past five (5) years).

3.4 A teacher may not be on more than two (2) recall lists.

3.5 **Categories for Recall**

Recall is based on a teacher's full time and part time status at the commencement of leave under this appendix and then on the basis of the following categories:

- Elementary – Kindergarten
- Elementary – grades 1-6
- Junior High – grades 7-9
- Middle School – grades 4- 9
- System Classes – special education
- Senior High – grades 10 -12

3.6 Beginning with the end of the staffing process or July 4 of the year in which the teacher has been placed on leave, whichever comes first, the Staffing Department, Human Resources, will recall to duty the teacher most senior on the appropriate list to fill every teacher vacancy which is identified. Once an offer of recall is made to a teacher, the teacher must accept such offer or lose all other recall rights.

3.7 This process will be followed for each vacancy until each teacher on each list has been recalled to duty or has relinquished the leave of absence and resigned.

3.8 Teachers recalled for permanent positions September 1 of any school year will be expected to assume the position regardless of the location or level, so long as the assignment is consistent with the teacher's placement on the recall list. Failure to accept assignment except for reasons of health attested to by a physician constitutes a resignation from the service of the Board.

3.9 Teachers recalled for, and accepting, permanent positions during the school year, may request a reasonable delay (up to thirty (30) calendar days) in assuming the assignment to make necessary personal arrangements.

3.10 Teachers recalled for temporary assignments may accept or decline such assignments without affecting future recall rights. Teachers recalled for a permanent position on a date other than the beginning of the school year may decline such a position. In the latter case, the teacher becomes eligible for recall only for the beginning of the school year.

3.11 If there is no teacher on the recall list for a particular subject or position, or if all teachers on the list have declined to accept the assignment, the Staffing Department will fill the position according to CBE practice or policy.

3.12 Teachers recalled for part-time temporary assignments or part-time continuing assignments, will not be considered for full-time assignments that come up during the term of the

assignment, but shall retain their place on the recall list and may be recalled to full-time duty at the beginning of the school year or at the end of the temporary part-time assignment.

4. Rights and Obligations

- 4.1 Teachers on leave may participate in the benefit plans according to section 1.5 above.
- 4.2 Upon recall, teachers resume their tenured status with the seniority as of the date of commencement of their leave.
- 4.3 Teachers on leave are required to file with the Board an accurate and updated record of their address and telephone number.

5. Other Provisions

- 5.1 This agreement is entered into freely by the parties solely for the purposes expressed in this document and for no other purposes.
- 5.2 Teachers who receive termination notices due to over staffing are also entitled to apply to participate in this leave of absence plan.
- 5.3 Teachers taking advantage of 5.2 will withdraw any appeal to the Board of Reference arising from their termination of employment and the Board will rescind the motion terminating each such teacher's employment.
- 5.4 Teachers declining leave under this agreement are not subject to recall except as decided through the appeal process.
- 5.5 It is the intention of the parties that disputes arising from the application of this agreement shall be resolved through the use of a single arbitrator whose costs shall be borne jointly by the two parties - ATA and CBE. The arbitrator shall be selected jointly by the ATA and CBE within three (3) working days of a dispute arising and the arbitrator shall make his/her ruling within seven (7) working days of accepting the assignment.
