a) Teacher qualifications in the form of a TQS evaluation or an in-service course or a music diploma.

b) Experience, in writing.

Such proof must be submitted within one hundred and twenty (120) days from the date of employment, in order to obtain, retroactively to the date of employment, an improvement in category placement and experience placement, respectively. Failure to do so will result in adjustments being made on the first of the month following submission of proof, unless the submission of proof is beyond the control of the teacher.

3.3.3 Pending receipt of a statement of qualifications from the Teacher Qualifications Service, the Board in accordance with applicable verified data in the teacher's file will establish a tentative salary. At a minimum, teachers will initially be paid the minimum salary rate applicable to four years of university education. Effective until August 31, 2017, teachers with fewer than four (4) years of university education shall not proceed past three (3) years of experience on the salary grid until they have attained the four (4) years of education qualification substantiated by submitting a statement of qualification from TQS.

Failure to do so will result in adjustments being made on the first month next following the month of submission, unless the submission of proof is beyond the control of the teacher.

3.3.5 In moving from one category of teacher education to a higher one, the teacher shall be placed on the same numbered step in the higher category.
3.4 Experience

3.4.1 Teachers shall gain experience while holding a valid Alberta teaching certificate or its equivalent, and working while:

a) under contract in a position that requires a teaching certificate as a condition of employment, excluding leaves of absence without salary and vacation periods; and

b) employed as a substitute teacher within the preceding five (5) years.

3.4.2 A teacher shall be granted only one (1) experience increment during any one (1) school year.

3.4.3 Previously unrecognized experience gained in one school year with the Board may be carried over for calculation of experience increments in the following school year with that same Board.

3.4.5 Upon commencement of employment, a teacher shall be granted one (1) increment for each full year of teaching experience acquired prior to current engagement with the Board, where the teacher having such experience, held a valid teaching certificate.

3.4.6 Notwithstanding the number of years of previous experience, the teacher will be paid at no more than three (3) years of experience until the teacher submits a statement of qualifications from TQS verifying they have at least four (4) years of university education. Subject to 3.3.2, salary shall be adjusted retroactively. A teacher who attains additional qualifications subsequent to the date of hire will be subject to 3.3.4 - 3.3.5. [This Clause expires August 31, 2017.]

3.4.7 Where the new appointee’s teaching experience includes partial years of service or periods of part-time service, full years of service shall be calculated as the number of full days of teaching experience in those years divided by two hundred (200). Any remainder of one hundred and fifty (150) or more days shall be counted as a full year.
3.4.8 Any residual number of days of teaching experience beyond the full years of teaching experience recognized under Clause 3.4.7 shall be credited to a teacher for accumulation towards the earning of any future increment.

3.4.9 Each teacher who is eligible for an increment shall, on the opening of school or on the first day of September or February immediately following the establishment of such eligibility, be placed on the next higher step on the grid for the appropriate category of teacher education.

3.4.10 A teacher who has a minimum of one hundred and fifty (150) full days teaching experience which have not previously been counted for increment purposes, shall be granted one (1) experience increment in accordance with Clause 3.4.9, and subject to the limitation of Clause 3.4.2. Until the teacher reaches the maximum salary of the appropriate category of education, further increments shall be granted for each one hundred and fifty (150) full days of teaching experience acquired after that date. These increments will be effective on the opening day of school or the first day of September or February immediately following the attainment of the necessary accumulation of days.

3.4.11 The maximum number of days of teaching experience which may be counted for increment purposes during any school year shall be one hundred and fifty (150) days.

3.4.12 Subject to Clause 3.4.11, any residual number of days of teaching experience which the teacher has accumulated at the time an increment is granted under Clause 3.4.10 shall be credited to the employee for accumulation toward the earning of any future increment.

3.4.13 A teacher commencing duties who requires a Letter of Authority, shall be allowed one (1) increment only. Any teacher for whom an increment is cancelled shall remain on the same salary step until the deficiency causing the cancellation is removed. When the deficiency is removed, the teacher shall be placed on the step to which the teacher would have been entitled had the increments not been withheld. This placement shall be made on the opening day of school or February 1, immediately following the submission of evidence of a valid teaching certificate, provided that the submission is made on, or prior to, October 31 or March 31, whichever is applicable, unless the submission of proof is beyond the control of the teacher.
3.4.14 Any supporting data submitted for the purposes of a salary reclassification shall be accompanied by a written request for reclassification and directed to Human Resources.

3.4.15 The Board reserves the right to consider any application on its merits, and to fix the initial salary above the schedule should it appear in the interest of the Board to do so, provided that the President, Association Local 38 is informed as soon as possible.

Additional leave may be granted, when at the discretion of the Chief
Superintendent of Schools or delegated authority, circumstances warrant.

14.6.1.2 Teachers attending the funeral of a near relative shall be allowed up to four (4) days leave with pay. Where the teacher does not attend the said funeral, reasonable leave may be allowed at the discretion of the Chief Superintendent of Schools or delegated authority.

14.7 Quarantine Leave: A teacher, who is quarantined by order of the Medical Officer of Health for the City, or by a Provincial authority, shall be granted leave with pay if the absences for quarantine are certified by such qualified Medical Officer.

14.9 Court Appearance Leave: Teachers shall be granted temporary leave of absence with pay when summoned or subpoenaed to attend court for the purpose of jury or witness duty or to attend an inquest. Any monies received for the aforementioned duties less actual expenses shall be remitted by the employee to the Board.

14.10 A teacher is entitled to leave with full pay for religious holy days the observance of which is a reasonable expectation of the religious faith and precludes the teacher from working. It is the teacher’s responsibility to advise the Principal or supervisor of the upcoming religious holy days preferably at the start of each school year or upon commencement of duties if after the start of the school year but at least two (2) weeks in advance. The teacher, Association and the Board recognize their duties in accommodating requests for religious holy day leave.

14.11 Without Pay: Teachers may be granted temporary leave of absence without pay after submitting written application to the Superintendent of Human Resources or delegated authority.

14.12 When all schools in the system are closed to students due to inclement weather, teachers will not be required to report for duty.
14.13 Secondment

14.13.1 Teachers seconded from the Board shall be subject to the following provisions. The teacher shall be entitled to experience increments for each year of the secondment. The teacher shall be listed as a member of the Board teaching staff. The teacher shall receive his/her salary from the Board according to the Collective Agreement and with the exception of Clauses 17.6 and 8.1.1 shall be subject to its provisions. The rights and privileges of such group plans as specified in the Collective Agreement shall be maintained and continued as for other teachers. All normal deductions (such as pension, income tax, professional fees) shall be maintained as for any other teacher. The teacher shall retain such seniority on the Board staff as has been established prior to being seconded.

14.13.2 Placement immediately after the period of secondment shall be in the position held prior to the commencement of leave or, if not available, in a position consistent with the teacher’s previous experience. A teacher who held a continuing administrative designation and who received an allowance as per Article 4 of this Agreement shall be so designated upon return and shall receive the applicable allowance for that designation. Where that designation is not available, the teacher shall retain that designation and applicable allowance and shall be placed in the first suitable position available.

14.14 Reservist Leave: A teacher who has completed twenty-six (26) weeks of continuous service may apply for a leave of absence as a Reservist and be granted a leave pursuant to Article 14.2 and in accordance with the Employment Standards Code. Consideration may be given to teachers with less than twenty-six (26) weeks of continuous service.

15. CENTRAL GRIEVANCE PROCEDURE

15.1 This procedure applies to differences:

a) about the interpretation, application, operation or alleged violation of any central item including the question of whether such difference is arbitrable;

b) about the interpretation, application or alleged violation of both a central item and a non-central item including the question of whether such a difference is arbitrable; and

c) where the Association asserts that terms are implied or incorporated into the collective agreement including the question of whether such a difference is arbitrable.
15.2 “Central item” means any item which is in italics in this collective agreement.

15.3 A “non-central item” means any item which is not in italics in this collective agreement.

15.4 An “operational” day is an instructional or non-instructional day in the Board calendar on which teachers are scheduled to work.

15.5 If there is a dispute about whether a grievance commenced under this article is properly a grievance on a central item, it shall be processed under this article unless TEBA and the Association mutually agree that the difference, or a portion of the difference, shall be referred to the local grievance procedure in Article 16.

15.6 Either TEBA or the Association may initiate a grievance by serving a written notice of a difference as follows:

   a) In the case of a grievance by the Association, by serving the notice to the Chair of the Board of Directors of TEBA.

   b) In the case of a grievance by TEBA, by serving the notice to the Coordinator of Teacher Welfare of the Association.

15.7 The written notice shall contain the following:

   a) A statement of the facts giving rise to the difference,

   b) The central item or items relevant to the difference,

   c) The central item or items and the non-central item or items, where the difference involves both, and

   d) The remedy requested.

15.8 The written notice must be served on the other party to the difference within thirty (30) operational days of when the grieving party first had knowledge of the facts giving rise to the grievance. For the purposes of this article, the months of July and August shall not be included in the computation of the thirty (30) operational days.

15.9 Representatives of TEBA and the Association shall meet within fifteen (15) operational days to discuss the difference or at such later date that is mutually agreeable to the parties. By mutual agreement of TEBA and the Association, representatives of the Board affected by the difference may be invited to participate in the discussion about the difference.

15.10 The difference may be resolved through terms mutually agreed upon by
TEBA and the Association. Any resolution is binding on TEBA, the Association, the Board, and any affected teacher or teachers.

15.11 If the difference is not resolved, the grieving party may advance the difference to arbitration by notice to the other party within fifteen (15) operational days of the meeting.

15.12 (a) Each party shall appoint one member as its representative on the Arbitration Board within fifteen (15) operational days of such notice and shall so inform the other party of its appointee. The two members so appointed shall, within fifteen (15) operational days of the appointment of the second of them appoint a third person who shall be the Chair. In the event of any failure to appoint or an inability to agree on the person to serve as the Chair, either party may request in writing that the Director of Mediation Services make the necessary appointment.

(b) TEBA and the Association may, by mutual agreement, agree to proceed with an Arbitration Board composed of a single arbitrator rather than a three-person Arbitration Board. In this event TEBA and the Association shall within fifteen (15) operational days of the agreement to proceed with a single arbitrator appoint a person to serve as the single arbitrator. In the event of any failure to agree on the person to serve as the single arbitrator, either party may request in writing that the Director of Mediation Services make the necessary appointment.

15.13 The Arbitration Board shall determine its own procedure but shall give full opportunity to TEBA and the Association to present evidence and to be heard.

15.14 The Arbitration Board shall make any order it considers appropriate. Without limiting the generality of the foregoing, an Arbitration Board may order that:

a) An affected Board rectify any failure to comply with the collective agreement.

b) An affected Board pay damages to the Association, affected teacher or teachers, or both.

c) TEBA and the Association take actions considered fair and reasonable by the Arbitration Board.

15.15 The award of the Arbitration Board is binding on:

a) TEBA and the Association.

b) The Board.
c) Teachers covered by the collective agreement who are affected by the award.

15.16 TEBA and the Association shall bear the expense of its respective appointee and the two parties shall bear equally the expense of the Chair.

16. LOCAL GRIEVANCE PROCEDURE

16.1 Where a difference arises between the parties to or persons bound by this collective agreement as to the interpretation, application, operation or contravention, or alleged contravention of this agreement, or as to whether such difference can be the subject of arbitration, the Association, or the Board shall have the right to present a grievance. All such grievances must be presented in writing and shall set out the nature of the difference, the article(s) of the agreement which has allegedly been violated and the remedy sought. A grievance shall not be defeated solely because it fails to cite an article, cites an incorrect article of this Agreement, or seeks an inappropriate remedy.

16.1.1 Any individual grievance filed by a teacher must be submitted to Superintendent of Human Resources or delegated authority with a copy to the President of the Local within fifty (50) working days of the date the teacher first knew of the alleged violation or misapplication. An Association or Board grievance must be submitted to the other party within fifty (50) working days of the date the Association or the Board first knew of the alleged violation or misapplication. Failure to submit a grievance within the time limits specified shall render the grievance inarbitrable. The Grievance Committee may formally consider a grievance which has been submitted beyond the fifty (50) day time limit for grievances, when the Committee decides to do so.

16.2 Upon receipt of the grievance, the recipient of the grievance will schedule a meeting within ten (10) working days or such later date as is mutually agreeable, for the parties to meet and endeavour to resolve the difference set forth in the grievance. Within five (5) working days of the meeting, the recipient of the grievance shall provide a written response to the grievance.

16.3 If the grievance is denied, the teacher or Association may, within fifteen (15) working days of receipt of the grievance response, submit the grievance in writing to the Superintendent of Human Resources or delegated authority requesting consideration of the grievance by the Grievance Committee. Failure to advance a grievance within the time limits specified shall render the grievance null and void.

16.4 A grievance committee, consisting of the Superintendent of Human
Resources or delegated Director and one other Superintendent or delegated Director shall meet as necessary. At least one member of the Grievance Committee shall possess a valid Alberta teaching certificate.

16.5 When the Grievance Committee receives notice of the submission of a grievance, it shall provide an opportunity for the teacher and a representative(s) of the Association and Board administration to be heard and shall render a decision within twenty-one (21) working days following the receipt of such notice. The Grievance Committee shall dispose of each grievance before proceeding to another, except where the hearing of such a grievance is adjourned for the purpose of obtaining further information.

16.6 The Grievance Committee shall forward the Committee’s decision to the submitting party, in writing, with copies to the Chief Superintendent of Schools and the President of the Local. When a grievance is denied, the reasons for the denial shall be made known to the submitting party in writing.

Arbitration

16.7 If the Grievance Committee does not reach a decision, or the grievance is denied by the Committee, either party to this collective agreement may request arbitration by written notice served on the other party within ten (10) working days after the date on which the decision was rendered by the committee or within ten (10) working days after the expiration of the said period of twenty-one (21) working days specified in Clause 16.5, whichever is shorter. If such notice is not served within the time limits specified in this Clause, the grievance shall be deemed to be at an end. The parties may, by mutual agreement, consent to postpone the arbitration hearing. Such notice shall contain a statement of the nature of the grievance.

16.8 A single arbitrator shall be appointed. Should the parties be unable to agree to the single arbitrator, either party may request the Director of Mediation Services to select the single arbitrator.

16.9 At the request of either party, an arbitration board shall be substituted for the single arbitrator. Where an arbitration board is used, each party shall appoint one (1) member as its representative on the arbitration board within seven (7) working days of such notice as specified in Clause 16.7 and the two (2) members so appointed shall endeavour to select an independent chair.

16.10 If the two (2) members fail to select a chair within seven (7) working days after the day on which the last of the two (2) members is appointed, either party may request the Director of Mediation Services to select a chair.
16.11 The single arbitrator or arbitration board shall determine their own procedure and shall give full opportunity to all parties to present evidence and to be heard.

16.12 The single arbitrator or arbitration board shall not change, modify nor alter any of the terms of this Agreement, nor shall the arbitrator or arbitration board make a decision which is contrary to the terms of this Agreement. All grievances or differences submitted shall present an arbitrable issue under this Agreement, and shall not depend on or involve an issue or contention by either party that is contrary to any provisions of this Agreement or that involves the determination of a subject matter not covered by, or not arising during the term of this Agreement.

16.13 The single arbitrator or arbitration board shall give a decision not later than fourteen (14) working days after the appointment of the single arbitrator or the arbitration board chair except that with the consent of both the Association and the Board, such limitation of time may be extended. The findings and decisions of a single arbitrator or a majority of the members of the arbitration board shall be the findings and decisions of the single arbitrator or arbitration board and shall be binding on the parties. If there is no majority, the decision of the chair shall be the decision of the arbitration board.

16.14 Each party to the grievance shall bear the expense of its respective nominee and the two (2) parties shall bear equally the expenses of the chair or single arbitrator.

16.15 Where any references in this Article are to a period of working days, such a period shall be exclusive of Saturdays, Sundays, statutory holidays and summer vacation.

16.16 By mutual agreement between the Board and the Association, notwithstanding Clause 16.3, a grievance may be advanced to arbitration within fifteen (15) working days of receipt of the grievance response in Clause 16.2.

16.17 By mutual agreement between the Board and the Local any of the dates contained in this Article may be extended.

17.1.2 Teachers with acting designations are eligible to apply for
available administrative positions.

17.2.1.2 A birth certificate

17.2.1.3 A medical certificate of sound health on a form provided by the Chief Superintendent of Schools or delegated authority

17.2.1.4 Proof of previous teaching experience from previous employer(s),

17.2.1.6 Any other information which may be required for official record purposes.

17.2.2 Teachers who change their names during the school year shall provide Human Resources with appropriate evidence (e.g. copy of marriage certificate, at the time of request for change). Data must be submitted promptly, especially when a change in teaching certificate is applicable.

17.2.3 The Board will endeavour to provide a contract of employment to each teacher prior to the teacher commencing duties. Each teacher will endeavour to sign and return said contract within twenty-four (24) hours of receipt. The Board shall ensure an electronic copy of the current Collective Agreement is available to all teachers.

17.3 Promotion

17.3.1 Seniority will be considered along with other factors in determining promotions but on no account will be considered the most important factor.

17.3.2 Seniority will have greater weight when comparing persons with relatively little service than when comparing persons with many years of service. All persons with twenty (20) years or more service will generally be considered to have equal seniority.
17.3.3 Total teaching experience will be considered as a factor in determining promotions.

17.3.4 Nothing herein shall in any way restrict the Board from making promotions based on ability and merit.

17.4 Transfers

17.4.1 When a teacher is transferred pursuant to Section 104 of the School Act, or any enactment substituted therefore, the Chief Superintendent of Schools, or the delegated authority, shall, upon written request of the teacher, give, in writing, the Board’s reason or reasons for the transfer.

17.5 Reduction of Teaching Staff

17.5.1 In the event that a reduction in teaching staff is necessary, the Board will seek to effect this reduction through attrition.

17.5.2 Where a reduction in teaching staff and system program cuts cannot be achieved by attrition, system seniority will be the sole determining factor.

17.5.3 Teachers subject to termination shall be offered involuntary leave based on the agreement between the Association and the Board included as Appendix “C”.

17.5.4 Teachers shall be offered involuntary leaves based on seniority. Those teachers who choose not to accept an involuntary leave shall be terminated in accordance with Board policy and the School Act. Employees who take the involuntary leave shall be eligible for recall based on field of employment (as determined by Staffing) and secondly on seniority within the field of employment. Refer to Appendix “C” of this agreement for guidelines relating to involuntary leaves.

17.6 Seniority

17.6.1 The following types of service with the Board will be used to calculate system seniority for teachers on a continuing contract of employment:

17.6.1.2 Substitute teaching and/or Adult Academic Program teaching

A teacher shall only be entitled to accumulate one year of service per school year.

17.6.2 For positions requiring a journeyman’s ticket, private sector experience as outlined in Article 3.5, shall be used to calculate additional seniority while employed in such a position.

17.6.3 In the event of a tie, any teaching service within Canada that requires a teaching certificate as a condition of employment shall be counted for seniority.

17.6.4 The Board will undertake to produce a system seniority list of all teachers covered by this collective agreement. A copy will be given to the Local. Upon request, individual teachers will receive a statement of accumulated system seniority (years plus months). Teachers will be expected to verify the accuracy of these statements.

17.6.5 Where agreement cannot be reached regarding the accuracy of an employee’s system seniority statement, the employee has the right to appeal under the provisions of Article 16 of this collective agreement.

17.6.6 Where system seniority is a consideration, the definition of seniority in Clause 17.6.1 will be used.
IN WITNESS WHEREOF the parties hereto have caused this Agreement to be executed by their respective officers, duly authorized hereunto, the day and year first above written.

New Letter of Understanding #1 – Trial Program on Time Off for Compression

1.1 This Letter of Understanding is made pursuant to Article 8 of the collective agreement (Conditions of Practice). The parties agree that where teacher instructional time is compressed and where current collective agreements are silent, teachers will receive time off in relation to the additional time worked as provided for in the chart below. Days will be rounded to the nearest 0.25 for this calculation. It is recognized by both parties that flexibility is required to maintain the calendar for the Board but also provide assurance for teachers that increases in the length of instructional days may result in associated time off for teachers.

1.2 For the purpose of this collective agreement and notwithstanding the provisions of the School Act, Teachers’ Convention is counted as a non-instructional day.

1.3 The trial program will take place during the 2017-18 school year and expires on August 31, 2018, notwithstanding that the collective agreement is bridged by operation of law.
New Letter of Understanding # 2 – Me Too Clause/Increase Modifier

1. For the purposes of this Letter of Understanding only, the following definitions apply:

   1.1 “comparator agreement” means the provincial collective agreements listed below for the period commencing April 1, 2017:

   - Government of Alberta and the Alberta Union of Provincial Employees respecting the Locals 1, 2, 3, 4, 5, 6 and 12
   - Alberta Health Services and United Nurses of Alberta
   - Alberta Health Services and the Health Sciences Association of Alberta
   - Alberta Health Services and Alberta Union of Provincial Employees – Auxiliary Nursing
   - Alberta Health Services and Alberta Union of Provincial Employees – General Support Services

   1.2 “first year” means with respect to a comparator agreement the period from April 1, 2017 to March 31, 2018.

   1.3 “second year” means with respect to a comparator agreement the period from April 1, 2018 to March 31, 2019.

   1.4 “general salary increase” means a salary increase percentage applied to all steps of all grids of a comparator agreement.

   1.5 For greater certainty, “general salary increase” does not include market supplements or adjustments, grid adjustments, signing bonuses, reclassifications, changes to benefit premium cost sharing, new benefits or any other form of compensation whatsoever other than a common percentage increase applied to all steps of all grids applicable to each bargaining unit. It includes only such general salary increases negotiated, prior to a strike or lockout, and does not include any increases resulting from a voluntary interest arbitration award, a disputes inquiry board recommendation, or a settlement during or following a strike or lockout.

   1.6 “Lump sum payment” means a one-time payment, consistent with other one-time payments sometimes referred to as signing bonuses. “Lump sum payment” explicitly does not include the continuation or renewal of lump sum payments currently provided in existing comparator agreements between employers and unions listed in Clause 1.1 of this Letter of Understanding.
2. If a general salary increase(s) for a comparator agreement in either the first year (September 1, 2016 to August 31, 2017) or second year (September 1, 2017 to August 31, 2018) exceeds zero percent (0%), the general salary increase(s) negotiated under that comparator agreement will be applied to the salary grid, administrative allowances and daily substitute teacher rate of pay of the collective agreements with the Association in the first year or the second year respectively, and effective the same date(s) as provided in the affected comparator agreement. If more than one general salary increase is negotiated for comparator agreements, the increases shall not be compounded across multiple comparator agreements, however, the total highest such general salary increase(s) in each year will be applied to the salary grid, administrative allowances and daily substitute teacher rate of pay.

3. If a new lump sum payment(s) for a comparator agreement in either the first year (September 1, 2016 to August 31, 2017) or second year (September 1, 2017 to August 31, 2018) is negotiated, the newly negotiated lump sum payment(s) negotiated under that comparator agreement will be applied to the collective agreements with the Association in the first year or the second year respectively, and effective the same date(s) as provided in the affected comparator agreement. If more than one newly negotiated lump sum payment is negotiated for comparator agreements, the lump sum payments shall not be compounded across multiple comparator agreements, however, the total highest of such lump sum payment(s) in each year will be applied to the salary grid, administrative allowances and daily substitute teacher rate of pay.

4. This Letter of Understanding expires on August 31, 2018 and will not be extended beyond that date notwithstanding that the collective agreement is bridged by operation of law. This Letter of Understanding will not apply to a general salary increase or lump sum payment for a comparator agreement negotiated to be effective after August 31, 2018.
New Letter of Understanding #3 – Classroom Improvement Fund (CIF) Grant Program

1. Each Board will establish a committee to support the CIF grant program. Appendix “C” – Offer of General Leave of Absence

To the Agreement between The Board of Trustees of the Calgary Board of Education
And
The Association

For the purpose of avoiding termination of contract teachers, the Board and the Association agree as follows:

1. OFFER OF GENERAL LEAVE OF ABSENCE

1.1 Teachers identified for termination pursuant to Clause 17.5 by the Board, will be placed on involuntary leave of absence without compensation under particular circumstances as outlined by this document.

1.2 This leave offer is open only to the teachers identified for termination including those teachers referred to in section 5.2 of this document. No substitutions will be permitted.

1.3 This leave offer is open for a two week period from the date of offer unless the parties to this agreement agree to extend the time lines.

1.4 The general leave of absence for each teacher takes effect on the day following the last day of the school year in which the teacher is being terminated.

1.5 Benefits under the current collective agreement continue until August 31 of the year in which the teacher is being terminated. As of September 1 of the same year, the teacher on leave may purchase regular benefits, except Extended Disability, through the Board at full cost.

1.6 There shall be no restrictions of any kind on the activity the teacher may undertake while on leave including full or part-time employment of any type with the Board or any other Board or any other employer.

1.7 Teachers declining this offer of a leave of absence will be subject to termination with the opportunity to appeal any decision by the Board to the Board of Reference.

2. RECALL

2.1 The Board undertakes that every teacher granted a leave of absence
pursuant to this agreement shall be offered recall to duty for a period of two (2) years.

3. THE RECALL PROCESS AND SCHEDULING

3.1 Teachers who have accepted a leave of absence under this plan shall be identified on recall lists according to their initial hiring position with the Board.

3.2 Teachers shall be ranked on a particular list according to seniority and tie breakers as already established by the collective agreement in Clauses 17.6.1 and 17.6.3.

3.3 A teacher may opt to, by submitting a request in writing to Staffing at time of acceptance of the leave, add their name to a second list. Placement on the second list will be conditional upon the Board determining the employee’s proven competence (experience and/or training within the past five (5) years).

3.4 A teacher may not be on more than two (2) recall lists.

3.5 CATEGORIES FOR RECALL

Recall is based on a teacher’s full time and part time status at the commencement of leave under this appendix and then on the basis of the following categories:

Elementary—Kindergarten
Elementary—grades 1–6
Junior High—grades 7–9
Middle School—grades 4–9
System Classes—special education
Senior High—grades 10–12

3.6 Beginning with the end of the staffing process or July 4 of the year in which the teacher has been placed on leave, whichever comes first, the Staffing Department, Human Resources, will recall to duty the teacher most senior on the appropriate list to fill every teacher vacancy which is identified. Once an offer of recall is made to a teacher, the teacher must accept such offer or lose all other recall rights.

3.7 This process will be followed for each vacancy until each teacher on each list has been recalled to duty or has relinquished the leave of absence and resigned.

3.8 Teachers recalled for permanent positions September 1 of any school year
will be expected to assume the position regardless of the location or level, so long as the assignment is consistent with the teacher’s placement on the recall list. Failure to accept assignment except for reasons of health attested to by a physician constitutes a resignation from the service of the Board.

3.9 Teachers recalled for, and accepting, permanent positions during the school year, may request a reasonable delay (up to thirty (30) calendar days) in assuming the assignment to make necessary personal arrangements.

3.10 Teachers recalled for temporary assignments may accept or decline such assignments without affecting future recall rights. Teachers recalled for a permanent position on a date other than the beginning of the school year may decline such a position. In the latter case, the teacher becomes eligible for recall only for the beginning of the school year.

3.11 If there is no teacher on the recall list for a particular subject or position, or if all teachers on the list have declined to accept the assignment, the Staffing Department will fill the position according to Board practice or policy.

3.12 Teachers recalled for part-time temporary assignments or part-time continuing assignments, will not be considered for full-time assignments that come up during the term of the assignment, but shall retain their place on the recall list and may be recalled to full-time duty at the beginning of the school year or at the end of the temporary part-time assignment.

4. RIGHTS AND OBLIGATIONS

4.1 Teachers on leave may participate in the benefit plans according to section 1.5 above.

4.2 Upon recall, teachers resume their tenured status with the seniority as of the date of commencement of their leave.

4.3 Teachers on leave are required to file with the Board an accurate and updated record of their address and telephone number.

5. OTHER PROVISIONS

5.1 This agreement is entered into freely by the parties solely for the purposes expressed in this document and for no other purposes.

5.2 Teachers who receive termination notices due to over staffing are also entitled to apply to participate in this leave of absence plan.
5.3 Teachers taking advantage of 5.2 will withdraw any appeal to the Board of Reference arising from their termination of employment and the Board will rescind the motion terminating each such teacher’s employment.

5.4 Teachers declining leave under this agreement are not subject to recall except as decided through the appeal process.

5.5 It is the intention of the parties that disputes arising from the application of this agreement shall be resolved through the use of a single arbitrator whose costs shall be borne jointly by the two (2) parties- Association and the Board. The arbitrator shall be selected jointly by the Association and the Board within three (3) working days of a dispute arising and the arbitrator shall make his/her ruling within seven (7) working days of accepting the assignment.
