What is Language Course Challenge?

A Language Course Challenge gives you the opportunity to earn high school credits for a language you already know. This is a two-part assessment process.

You will show what you can do in the language by completing:

1. **Part 1: Portfolio**
2. **Part 2: Course Challenge Exam**

If you successfully complete the process, you receive a final mark and credits for the 30-level course. You may also receive credits for the 10- and 20-level courses, if applicable.

Before You Apply

You should consider a Language Course Challenge if you can already:

- **Speak** the language
- **Understand** the language when people speak
- **Read** the language
- **Write** the language

You do not need to take the course at school before challenging it. But you do need to be ready to demonstrate the full 30-level course outcomes.

Is Language Course Challenge Right for Me?

- You are a CBE high school student.
- You are ready to demonstrate your skills in **reading, writing, listening and speaking**.
- You are not currently registered in the 30-level course.
- You have not already received credit for the course.
- You have not already received credit for a higher-level course in the **same language** sequence (e.g. Spanish Language Arts 30, French Language Arts 30).

Important! Knowing how to speak the language is not enough. You must be able to read and write in the language at the 30-level expected for the course.

How Does This Process Work?

Step 1 | Talk to Your School

Talk to your school's Language Course Challenge delegate, guidance counsellor, or principal.

Your school will help you:

- Decide if you are ready to challenge the course (language ability).
- Check that you are eligible.
- Tell you the school's registration deadline.

Step 2 | Register

If your school determines that you are ready and eligible:

1. Complete the [Language Course Challenge Consent Form](#).
2. Have the form signed as required.
3. Submit it to your school's Language Course Challenge delegate by the school's deadline.

After you register, CBE Languages will:

- Confirm your registration by email to your CBE email address
- Enroll you in the D2L course for your language.

Important! Check your CBE Email (including the junk folder) regularly. After the initial confirmation email, all further instructions for language course challenge will be communicated to you through D2L.

Step 3 | Preparation for Your Part 1 Portfolio

Once you are registered, read the instructions in D2L carefully.

You will prepare two things **before** the Part 1 Session.

1. Audio Recording
 - Choose one Field of Experience from the instructions.
 - Record yourself speaking about the topic for about 1–2 minutes.
2. Written transcript
 - Write down exactly what you said in your audio recording.
3. Submit both the audio recording and the written transcript through D2L by the deadline provided

Important! What you hand in must be your own work.

Step 4 | Part 1: Portfolio

Attend Part 1 Portfolio session **in person** at the location, and on the date and time provided to you by CBE Languages.

You will:

- Confirm the submission of your audio recording and transcript on D2L.
- Complete **three writing tasks**.

You must bring:

- Student/school ID
- Pens or pencils
- Eraser
- Optional: paper dictionary or verb conjugation book
- **Electronic devices are not permitted.**

Tip! The Calgary Public Library often has dictionaries or verb conjugation books available to borrow for free.

Step 5 | Find Out if You Can Continue to Part 2

An examiner will assess your Part 1 Portfolio. The examiner will determine whether you have demonstrated enough readiness to continue to Part 2.

- If you are recommended to continue, you will receive information about Part 2.
- If you are **not** recommended to continue, you and your school delegate will be informed and your Language Course Challenge ends after Part 1. No course challenge result is reported on your transcript at this point.

Step 6 | Part 2: Course Challenge Exam

If you are recommended to continue, attend the Part 2 Exam **in person** at the location and on the date and time provided to you by CBE Languages.

You will complete four parts of the exam:

Speak

- Oral interview
- Approximately 10-15 min

Listen

- Listening Comprehension
- Approximately 30-45 min

Read

- Reading comprehension
- Approximately 45-60 min

Write

- Written production
- Approximately 60-90 min

Important! You must complete all four parts of the exam.

What should I bring?

- Student/school ID
- Pens
- Pencils
- Eraser
- Optional: paper dictionary for your language
- **Electronic devices are not permitted.**

Step 7 | Receive Your Results

- Your exam is assessed by a CBE Languages examiner.
- If you complete Part 2, you will receive a final mark for the 30-level course.
- You may also receive credits for the 10- and 20-level courses in the same language sequence, if applicable.
- Your final mark will be reported to Alberta Education and will appear on your official transcript.
- You can check your mark through MyPass once your school has completed the reporting process.

Remember! You can choose to stop the process before Part 2 without receiving a course challenge mark or notation on your Detailed Academic Report. Once you complete Part 2, a final mark is issued.

You may only challenge **one** language course.

- **How do I know if I am ready to challenge a 30-level course?**

Please tell your school about your accommodation needs when you register so that there is enough time to make arrangements.

Your school will give you a deadline for submitting your Consent Form. If you miss it, contact your school's Language Course Challenge delegate as soon as possible. Late registrations may not be possible.

Previous credits can affect whether you are eligible to challenge a course and which additional credits you may receive. Talk to your Language Course Challenge Delegate about your specific situation.

You may not be able to challenge a lower-level course in the same language sequence. Your school can check your records and explain how the rules apply to you.
