Next Steps in the Consideration of Closure of Rosscarrock School

Dear Parents/Guardians:

As you are aware, enrolment in the regular program at Rosscarrock School is declining and is expected to continue into the future and have impacts on student learning. On Feb. 5, the Board of Trustees of the Calgary Board of Education (CBE) passed a motion to consider the closure of the Rosscarrock School. This was followed soon after with a [Written Notice Re: Consideration of Closure of Rosscarrock School](#). This document provides background and details on past, current and projected enrolments, as well as proposed options to accommodate Rosscarrock School students at other schools in the area.

On March 7, The CBE Board of Trustees held a meeting at Rosscarrock School to share information about the consideration of closure and to allow for input and questions. At that time, members of the community were informed they could provide further input and submit questions to dialogue@cbe.ab.ca - attention Calvin Davies, Director, Area 7, before noon on April 8. If you wish to make comments in writing, **please do so by April 8**. All written comments sent in by that date will be given to the Trustees for their consideration.

At the upcoming **April 9 public meeting**, the Board of Trustees will discuss and vote on the proposed closure of Rosscarrock School. Parents are invited to attend the meeting starting at noon at the Education Centre (1221-8 Street S.W.) or to watch it [online](#).

The Board of Trustees has a process to allow for public comment at their meetings. If you wish to address the Board at the April 9 meeting, please refer to the instructions (see *website* link below).

You may register to speak at the meeting by contacting the Office of the Corporate Secretary by noon on April 8 at corpsec@cbe.ab.ca. A maximum of five presenters are allowed at each meeting and each presenter will be allowed a maximum of three minutes to speak. (These rules may be adjusted by a majority of the Trustees at the meeting.)

More information about the process we use to manage public comments can be found on our [website](#). (Note: this document is only a portion of the Board Meeting Procedures.)

Sincerely,

Calvin Davies
