## Thank You CBE Volunteers

April 24-30 is National Volunteer Week.

The Calgary Board of Education is pleased to recognize the contributions of the many volunteers who support our schools everyday.

We are grateful for every volunteer who offers their time and shares their talents with students. Their participation in classrooms, throughout our schools and virtually from home helps to support and enhance student learning opportunities. The assistance of our volunteers allows many of our schools to do a variety of unique learning activities that otherwise might not be possible.

We sincerely thank all those who volunteer their time and energy to support our students, teachers and schools. Learn more about being a [volunteer](#) with the CBE.
