- **Aboriginal Learning Centre (Harold W. Riley School) – The Leblond Partnership**

The Leblond Partnership has been in practice 35 years in Alberta and has won numerous design awards such as the Governor General’s Medal for Architecture for the Head Smashed in Buffalo Jump Centre. They have both new school and modernization experience with CBE and other school boards

- **Christine Meikle Replacement School – Marshall Tittlemore Architects**

Marshall Tittlemore Architects have extensive school design experience and notable health care experience such as the Peter Lougheed Centre Expansion. Their work at the program charrette showed innovation, sensitivity and thoroughness, in approaching the design of a school for special needs students. They are also the architects on the Booth Centre development.

- **Bowness High School Modernization – BKDI Architects**

BKDI Architects is one of the leading architectural firms in Western Canada and has been creating exemplary projects for over three decades. Their diverse range of projects includes both construction of new and modernizations of educational facilities.

- **Jack James High School Modernization – Dialog Alberta Architecture**

Dialog Alberta Architecture Engineering Interior Design Planning Inc. has gained extensive experience with educational facilities over fifty years in Calgary and designed the Western Canada High School modernization and the Ernest Manning replacement high school.

- **Elbow Park Replacement School – Gibbs Gage Architects**

Gibbs Gage Architects is one of the most experienced educational facility design firms in Alberta, providing consulting services for over 60 schools, including several historic school builds, such as Connaught School and the Dr. Carl Safran Centre.
