Is Spanish Bilingual the right choice for my child?

Spanish Bilingual:

- expands the intellect
- learning another language can enhance self esteem
- strengthens English literacy skills
- is a gateway to international opportunities

The Spanish Bilingual Program provides students with the opportunity to acquire the skills for listening, speaking, reading, and writing in both English and Spanish beginning at a young age. Spanish and English are used as the languages of instruction. The school receives the designation of International Spanish Academy by the Ministry of Education of Spain.
