Designated School & Expression of Interest

2022-2023
School Year

If your student(s) **designated school is** displayed in the list below, we recommend you complete **both** an **expression of interest** and **register for your designated school** using the [Online Registration form](#).

- Copperfield School
- Dr. Martha Cohen School (Copperfield and New Brighton)
- Edgemont School
- Griffith Woods School
- Kenneth D. Taylor School (Evanston)
- New Brighton School
- Taradale School
- Tom Baines School
- West Springs School (Cougar Ridge)

If your designated school is **not** in the list, you **only** need to complete the [Expression of Interest form](#).

The reason why both forms are required for a lottery school is because if the child/student is **not** offered a spot in an Alternative Program then the child/student will attend their regular program school.

In order for the child/student to **be included in the regular program lottery** the legal guardians/parent must submit an online registration form no later than **12:00 PM on Feb. 15, 2022**.

The regular program schools listed above have a designated overflow school and are in lottery for the 2022-23 school year ([Lottery Information for Parents](#)).

To be included in the school's lottery, registration forms must be submitted no later than 12:00 PM on Feb. 15, 2022.
