Dear Parents/Guardians,

We are very excited to open Hugh A. Bennett School in the Saddle Ridge community, and I know that you and your children are equally excited! With our new building being completed in January, we are preparing to open as a “school within a school” at the new Peter Lougheed School site. However, the opening of Peter Lougheed School will be delayed by a few days due to the rain we received this summer.

Change to the first day of school

The first day of school will be changed to Friday, September 9 for Hugh A. Bennett students. We will notify you if this date changes.

- Please make child care arrangements for September 6, 7 and 8.

We want to ensure that you are well informed and we understand that a delay in opening may cause child care difficulties for families. We are also connecting with our community partners to see if there are any opportunities for student activities during those days.

We are closely watching the construction progress and will provide you with updates through email and our [school website](#) when we have more information.

We will continue to take new student registrations at the Area III office located at 4711 Maryvale Drive NE until our school office opens on September 9.

Please check the school website regularly for updates on the opening of our school and other related information. I look forward to seeing you and your children on September 9. Please contact me at hughabennett@cbe.ab.ca if you have any questions.

Sincerely,
Lisa Nachtigal, Principal
Hugh A. Bennett School
