## Update | Prairie Sky School Construction Progress

Dear Parents/Guardians,

We are writing to provide an update on the ongoing construction of Prairie Sky School.

### Construction Progress Update

Alberta Infrastructure recently informed the CBE that the school is expected to be completed and handed over to the CBE by the end of October. This date may change depending on how construction progresses and whether building inspections are completed.

Once the school is handed over to CBE, there are still many details that must be completed before the school will be ready to welcome students. Our teams require several weeks to complete final inspections, a thorough cleaning, and move into and set up the school for students. Student safety is our top priority, and we must ensure that all preparations are in place before allowing students to enter the building.

You will be notified as soon as the school's opening date is confirmed. We are working closely with Alberta Infrastructure and will continue to support the construction process to ensure the school is completed as soon as possible.

### Next Update

We expect to be able to provide another update by the end of October. At that time, we are hopeful we will be able to provide a timeline of when students can begin attending Prairie Sky School.

This is an exciting time for the Skyview Ranch community, allowing more students to attend school closer to home. We look forward to working with you as we welcome students to their new school.

If you have questions or require additional information, please contact the Area 4 office at 403-777-6233 (extension 0) or [Area4@cbe.ab.ca](mailto:Area4@cbe.ab.ca).
