**Herzlich willkommen! Wir lernen Deutsch!**  
**Welcome! We learn German!**

Located in the beautiful Bow River valley, Bowcroft provides a small elementary setting ideal for personalized learning. We offer an intensive focus on German language acquisition, artists-in-residence, a bilingual music specialist, daily physical education, opportunities for environmental and outdoor studies, and smaller class sizes. In Kindergarten and grade one, no prior knowledge of German is necessary. Please attend our Open House for more information or call for a personal tour.

**Open House: Thursday, February 1 @ 7 pm**
