Unlock your child's potential at Killarney School

All current and prospective parents welcome! Come out and see the Montessori method in action with Killarney students as tour guides and presenters. Meet alumni and hear them speak to growing beyond grade six.

Our teachers use carefully prepared classrooms to provide freedom of choice as well as structured, self-directed learning.

Our school's kindergarten to grade six Montessori program is publicly-funded through the Calgary Board of Education.

On-site, before/after care school care is available.

We look forward to meeting you on this night. In the interim, more information about the various CBE Alternative Programs, registration and the lottery process can be seen on the CBE website – <http://www.cbe.ab.ca/registration/registration/Pages/Lottery-Information-for-Parents.aspx>
