## Join Us!

During this “come and go” evening you will:

- \* meet the SJAM staff and some of our students
- \* be introduced to the opportunities available at SJAM
- \* see examples of student work and performances
- \* have the opportunity to ask questions

The evening will begin with a short program in the gymnasium followed by an opportunity for parents and future students to tour the school and ask questions about programming in each of the core subject areas and complimentary courses.
