Marion Carson School will be hosting an Open House on January 10, 2019 beginning at 6:30 pm. Our open house is intended for families considering enrolling their child in either the Mandarin bilingual program (Kindergarten to Grade 4) or our regular community program (Kindergarten – Grade 6).

We accept all students residing in the Varsity Community for our regular community program. Please see our school website for the communities we accept for our Mandarin Bilingual Program. This open house is intended for parents and guardians of students residing in our catchment area. All kindergarten children will have an opportunity for orientation to the school during the first week of school with our staggered entry days.

Please note that we accept new registrations for our Mandarin program at both Kindergarten and Grade 1. Previous Chinese language experience is not required and parents do not need to know the language. We also accept registrations in the Mandarin program for older children who can demonstrate a suitable level of proficiency in the Mandarin language to be successful at their grade level (assessment required).

Registration for the 2019-20 school year for Kindergarten and Grade 1 will begin on January 14, 2019. In order to register you will need:

- 1 | Your child's original birth certificate or a valid Canadian passport
- 2 | Proof of home address (2 pieces): drivers licence, passport, electrical bill, purchase of a house document etc.

We look forward to meeting you.
