Richmond School Has Heart!

We look forward to meeting you!

We cordially invite you to this special event to learn more about our special community school. Students, teaching staff and council members will be available to answer questions and showcase student learning and special events.

Please contact our main office to RSVP and/or if you require assistance – 403 777-8380

At Richmond School we help students become aware of their potential and create an environment where children feel safe to explore, create and take risks.

At the centre of our work together is the principle that each child is naturally curious, wondrous about learning, filled with potential, possess many talents, skills and abilities and sees joy in all things possible.

Program Description
