Herzlich willkommen! Wir **lernen** **Deutsch!**

Welcome! We learn German!

German Bilingual Program at Bowcroft School

Located in the beautiful Bow River valley, Bowcroft provides a small elementary setting ideal for personalized learning. Our growing program offers an intensive focus on German language acquisition, artists-in-residence, a bilingual music specialist, daily physical education, opportunities for environmental and outdoor studies, numerous field trips, and smaller class sizes. In Kindergarten and grade one, no prior knowledge of German is necessary. Please attend our Open House for more information or call for a personal tour.

Open House: Thursday, February 7 @ 7 pm
