Legacy Community School Designation

Dear Parents/Guardians,

The Calgary Board of Education (CBE) is designating the community of Legacy to Prince of Wales School for kindergarten to Grade 4 and to Wilma Hansen School for Grades 5-9. This decision was made to provide a permanent designation for the Legacy community, address overcrowding at Fish Creek School and increase stability in the student population for the Prince of Wales School and Wilma Hansen School.

For the Legacy community, this is a change from its temporary designation of Fish Creek School for K-6 and MidSun School for 7-9. This temporary designation was originally communicated in April 2013.

Starting March 1, 2017, new registrations and/or transfers for K-4 students within the Legacy community will only be accepted by Prince of Wales School.

This decision means changes starting in September 2017 for some students currently enrolled in K-6 at Fish Creek School and 7-9 at MidSun School.

Please see below for proposed changes for students within the Legacy community:

Child not in school but entering kindergarten next year

Students entering kindergarten next year living within the Legacy community will begin at Prince of Wales School. If you have already registered at Fish Creek School your registration form will be forwarded to Prince of Wales School.

Kindergarten – Grade 2 Students at Fish Creek School

Current kindergarten – Grade 2 students living within the Legacy community who will be entering Grades 1-3 next year will move to Prince of Wales School and will be automatically enrolled at the new location.

Grade 3 Students at Fish Creek School

Current Grade 3 students living within the Legacy community who will be entering Grade 4 next year can remain at Fish Creek School, if they choose, and will continue to be eligible for yellow school bus transportation to Fish Creek School.

Students entering Grade 4 next year can move to Prince of Wales School, if they choose. Parents will be required to complete a transfer form for this move.

Grade 4 – 6 Students at Fish Creek School

Current Grade 4-6 students living within the Legacy community who will be entering Grades 5-7 will move to Wilma Hansen School and will be automatically enrolled at the new location.

Grade 7 Students at MidSun School

Current Grade 7 students living within the Legacy community who will be entering Grade 8 will move to Wilma Hansen School and will be automatically enrolled at the new location.

ملاحظة هامة: الرجاء ترجمة هذه المعلومات.

Grade 8 Students at MidSun School

Current Grade 8 students living within the Legacy community who will be entering Grade 9 next year can remain at MidSun School, if they choose, and will continue to be eligible for yellow school bus transportation to MidSun School.

Students entering Grade 9 next year can move to Wilma Hansen School, if they choose. Parents will be required to complete a transfer form for this move.

Yellow School Bus Transportation

Students designated to Prince of Wales School and Wilma Hansen School who live in the Legacy community will be eligible for yellow school bus transportation.

No Out-of-boundary Acceptance

Fish Creek School will continue to be a bus receiver for students living in Walden, and as an overflow receiver for the community of Chaparral. Enrolment from the community of Walden will increase in the future as the community is still developing and more homes are being built. For this reason, Fish Creek School will not have space for students from Legacy who might like to remain at the school as out-of-boundary students. As well, Prince of Wales School will no longer accept out-of-boundary students to equally ensure space for the growth of the Legacy community.

Siblings

New students that are siblings of students living in Legacy are designated to the newly designated schools and will not be accepted as out-of-boundary students at Fish Creek School. Parents who would like their children to be designated to the same school will need to move their current student to the newly designated schools.

What if I have more questions?

If you have a question that is not answered here, please contact the school's principal. If you still have questions, please contact the Area V office at AreaV@cbe.ab.ca or 403-777-8780.

Sincerely,

Sydney Smith
Director, Area V
