Dear Students and Parents/Guardians,

Reminder Notice Regarding School Designation for Kindergarten to Grade 6 Regular Program Students Residing in Chaparral

The Calgary Board of Education (CBE) would like *remind* parents that Chaparral School is currently at capacity and will continue to be at capacity for the 2017-2018 school year and will not be able to accommodate all students who live in Chaparral. Students that cannot be accommodated in Chaparral School will be overflowed to Fish Creek School. Fish Creek School is located in the community of Sundance at 1039 Suncastle Dr S.E., phone 403-777-6400.

All new registrations at Chaparral School will be accepted. In the event that there are more registrations than spaces available in the program, student acceptance will be determined using the established CBE regular program lottery process. All students currently attending Chaparral School will be able to remain at Chaparral School until the end of Grade 6.

Students living in Chaparral who are unable to attend Chaparral School will be placed on a wait list and as space becomes available they will be called back to the school. Information about the CBE lottery and recall process is available on the CBE website at <http://www.cbe.ab.ca/registration/registration/Pages/Lottery-Information-for-Parents.aspx>

Transportation Services

Students are eligible for transportation to their designated school if they live beyond the walk zone. Information regarding transportation services and fees is available on the CBE website www.cbe.ab.ca and at the schools. Applicable transportation fees will apply for all students taking transportation.

Transportation services will continue to Fish Creek School until such time that Chaparral School can accommodate all Chaparral community students and there are fewer than 15 students accessing transportation services to Fish Creek School.

If you have questions or require additional information, please contact the Area 5 office at 403-777-8412 (extension 0).
