Dear Parents/Guardians,

Overflow Designation for Griffith Woods Students

This letter is to inform parents that Griffith Woods School is near capacity and is projected to be over capacity for the 2019-2020 school year. The school will not be able to accommodate all students who live in Spingbank Hill and Discovery Ridge.

Consequently, new students who cannot be accommodated at Griffith Woods will be overflowed to Battalion Park School, for kindergarten to Grade 6, and to Bishop Pinkham School for Grades 7 to 9, effective immediately.

How many students will overflow from Griffith Woods School?

At this point we project up to 100-125 additional students will attend Battalion Park School in the next three years. We also expect 100-125 additional students will attend Bishop Pinkham School in the next three years.

We will be working closely with your principals to ensure we understand the perspectives of your school communities during this transition. If you have questions or require additional information, please contact the Area 7 office at 403-777-8750 (extension 0) or Area7@cbe.ab.ca.
