Dear Parents/Guardians,

This letter is to inform parents and families that Fish Creek School is at capacity and is projected to continue to be at capacity for the 2020-21 school year and beyond. The school will not be able to accommodate all students who live in the current attendance areas. Consequently, the Calgary Board of Education (CBE) is making a change in designations for communities currently attending Fish Creek School.

Effective for the 2020-21 school year, the community of Walden will be designated to Dr. Freda Miller School and Marshall Springs School. Both schools are located in the community of Evergreen. Dr. Freda Miller School is located at 5211 Fish Creek Boulevard S.W. and Marshall Springs School is located at 1100 Everridge Drive S.W.

All new students are designated to Dr. Freda Miller School and Marshall Springs School for the 2020-2021 school year.

Where will my child go to school next year?

Students currently in Kindergarten to Grade 3 will transfer to Dr. Freda Miller School for the 2020-21 school year. Students would then remain at Dr. Freda Miller until the end of Grade 5 before moving to Marshall Springs School for Grade 6.

Students currently in Grade 4 to Grade 6 will transfer to Marshall Springs School and would remain there until the end of Grade 6.

Students currently at MidSun School can remain at MidSun until the end of Grade 9. Students also have the option to transfer to Marshall Springs School.

Can my child stay at Fish Creek School?

Students currently attending Fish Creek School will have the option to remain at Fish Creek School for the 2020-21 school year and beyond. However, transportation services will not be available to Fish Creek School after the current school year; transportation Services from Walden to Fish Creek School will end June 30, 2020. Transportation services will be available to the designated schools of Dr. Freda Miller and Marshall Springs beginning September 2020.

How do I register for school next year?

Kindergarten registrations for the 2020-21 school year begins on January 20, 2020. To facilitate ease of registration, all new registrations for students residing in the community of Walden will be collected Evergreen School.
