## What will this mean for you and your child?

- For the 2015-16 school year only, Grade 5 and 6 students will move together to middle school.
- In the middle schools, students will spend four years with teachers who will know them well and have specialized curriculum knowledge as well as expertise with early adolescent learners.
- In the middle schools, students will have additional choice in option courses, more student leadership and extracurricular opportunities, and additional learning supports.
- Entrance to French Immersion programming at Bob Edwards will be offered at both Grade 6 and Grade 7 for 2015-16.
- With these changes, no school closures are projected into the near future.
